READ WHAT WE CLAIM FOR IT

A year's subscription is a volume of Vocal and Instrumental Compositions for the Piano and Cabinet Organ of the choicest variety. At least sixty-five subjects, listing at Forty Dollars, valuable copyright music appear, that cannot be found in any other magazine.

To the teacher, this magazine is invaluable as a prompter, with its useful hints as to proper methods of teaching furnished by the ablest teachers in the land.

Misleading articles written by ignorant musicans are carefully excluded. Unsound advice, No matter how good intended would, if followed, greatly injure, if not ruin the progress of the student.

"THE LIVES OF GREAT PIANISTS" will be instructive, entertaining and inspiring.

Each number always contains our latest pieces, and we are very careful to select such music that pleases the average musical ear, and some of the easiest and medium grades, so that the beginner in music can derive as much pleasure and benefit as the more advanced player.

Our Mr. Phil B. Perry selects the music for teaching purposes. Being a pupil of Leschetizky, a graduate of Kullak's Conservatory, Berlin, Germany, and a successful teacher, he knows the requirements of teachers far better than the publishers of other magazines who have not enjoyed his unusual advantages.

Our "Premium List," which embraces most liberal inducements for those who wish to act as agents, will be mailed free to any address upon application.
